COMMUNITY ORIENTATION COURSE 2018

A grass-roots, face-to-face, gentle-but-radical, Christ-inspired approach to compassionate community work. A small group from any (or no) faith tradition explore spirituality, community & compassion together through this nine day residential experience.

DECEMBER 8-16, 2018
WEST END, QLD

- Hear from local people who are exploring non-violence, food ethics and environmental issues, who work alongside Indigenous groups, migrants, refugees and others who are struggling with significant disadvantages and disabilities.
- Live together in a 1 star community facility.
- No set cost: A cost-sharing exercise helps participants decide on payments based on individual financial means.
